## PERSONAL SUMMARY

I am a **Full Stack Developer** with 5+ years of experience in building scalable web and mobile applications. Skilled in the **MERN stack** (**MongoDB, Express.js, React.js, Node.js**), **Next.js**, and API development (**RESTful/GraphQL**), I create efficient, user-friendly solutions. I have worked in both full-time roles and freelance projects, helping businesses build and deploy high-quality applications. Passionate about learning new technologies, I bring a strong problem-solving mindset and hands-on experience with version control, deployment, and CI/CD workflows.
